- 38. Coventry adopts and re-alleges its responses to Paragraphs 7-31 of the Complaint.
- 39. Denied.
- 40. Denied.
- 41. Denied.

### **FIRST DEFENSE**

Plaintiff's Complaint fails to state a claim against the Plan under 29 USC § 1132(a)(1)(B) upon which relief can be granted, and it should be dismissed pursuant to Rule 12(b)(6) of the Federal Rules of Civil Procedure.

### **SECOND DEFENSE**

Plaintiff's Complaint fails to state a claim against the Plan under 29 USC § 1132(a)(9) upon which relief can be granted, and it should be dismissed pursuant to Rule 12(b)(6) of the Federal Rules of Civil Procedure.

### **THIRD DEFENSE**

Plaintiff failed to pursue and exhaust his appeal remedies provided under his employer-sponsored plan. By reason of the foregoing, Plaintiff's Complaint should be dismissed.

### **FOURTH DEFENSE**

Plaintiff's employer-sponsored plan has certain pre-approval procedures that Plaintiff and his health care providers were required to follow, and they failed to do so. By reason of the foregoing, Plaintiff's Complaint should be dismissed.

### **FIFTH DEFENSE**

Plaintiff's claims are barred by the doctrines of waiver and/or estoppel and/or laches.

#### **SIXTH DEFENSE**

The Plan affirmatively pleads the provisions, terms, and requirements of the Plan, which are set forth therein, including all medical review criteria and requirements.

#### **SEVENTH DEFENSE**

Plaintiff fails to allege facts sufficient to warrant an award of extra-contractual or punitive damages to the extent same are claimed or an award of attorneys' fees.

#### **EIGHTH DEFENSE**

The Plan affirmatively pleads any applicable statute of limitations.

#### **NINETH DEFENSE**

The Plan did not breach any legal duty allegedly owing to Plaintiff and has, at all times, complied with the applicable standards of care.

#### **TENTH DEFENSE**

Plaintiff failed to satisfy conditions precedent for approval of the testing for which he seeks approval under the Plan.

#### **ELEVENTH DEFENSE**

Though punitive damages are not specifically claimed, to the extent Plaintiff's Complaint could be construed to assert a claim for extra contractual or punitive damages, Plaintiff's Complaint fails to state a claim upon which any relief may be granted. Further, Defendant would show that granting any claim for punitive damages would violate certain provisions of the Constitution of the United States, including, but not limited to, the following: The Fifth and Fourteenth Amendments guaranteeing due process of the law and are violated by the operation of such vague, imprecise, and impermissible laws as the ones on which the subject punitive damages claim is based; the Fourteenth Amendment guarantees this Defendant equal protection

of the laws and is violated by the imposition of punitive damages in that such a sanction is discriminatory and arbitrary in penalizing this Defendant on the basis of wealth; the Fourth, Fifth and Sixth Amendments form the basis for laws governing the processing, convicting, and sentencing of criminal Defendants; thus, to the extent that Defendant is subjected to a criminal sanction through punitive damages, the burden of proof required to impose the same should be proved “beyond a reasonable doubt,” and punitive damages should not be awarded without affording this Defendant the full range of criminal procedural safeguards afforded by the Constitution; and finally, the imposition of punitive damages would violate Article 1, Section X of said Constitution.

#### **TWELFTH DEFENSE**

The Plan adopts any affirmative defenses not specifically cited here and any other matter constituting an avoidance or affirmative defense as may be shown by the facts in this cause, and hereby reserves the right to amend this Answer to assert any such defense.
